### November Hillbilly Roller Campout

The November campout at Coachlight RV Park in Carthage was, for various reasons, very light in attendance as there was just three coaches in attendance. Those present were Jack & Glenda Beeson, John & Carlon Huff and Jim & Sherry Welker. Gene & Noma Coltrin drove in Saturday morning for breakfast and the business meeting. But it is that time of the year when folks start heading for their winter digs. Leaving early in order to escape any possible inclement weather is usually a good move as winter in the Ozarks seems able to come at almost any time after September.

The business meeting consisted mainly of discussion about the “Rollers” being the host chapter for the May Winnie-MO-Tasca state meeting which will be held at Coachlight RV Park on the weekend of May 18<sup>th</sup>-20<sup>th</sup>.

The theme for this meeting is Mexican Fiesta, so bring your sombreros, serapes and colorful attire. The Friday evening meal menu will be: chili, corn bread, cheese, salsa, onions, butter, honey, crackers, a relish tray with carrots, celery, olives, pickles, peppers or veggie relish and dessert will be chocolate, pineapple and apple cake.

The Saturday breakfast and evening meal will be catered with the “Rollers” assisting in serving as needed.

The management at Coachlight has requested those planning on attending this meeting to call in their reservations at least a month in advance. Really, the sooner, the better!! Call Coachlight at 1 – 417 -358 – 3666.

There will be other pertinent information put forth as the time draws near for the different campouts. We truly need wagonmasters for each campout. Some folks have already volunteered to be wagonmasters for next year but more are needed. We have over the years become very lax as far as filling the requirement for wagonmasters was concerned. I'm sure everyone agrees that the campouts go much smoother when activities, meals, etc. are planned ahead of time for the given campout. Sooo, sign up to wagonmaster!!

#### **Former Hillbilly Roller Passes On**

I received an e-mail from Freeda Bilyeu with the news that John Gezel passed away due to complications of cancer treatment. I am sure some of you remember John & Sherry Gezel, former Hillbilly Rollers who lived at Livingston, TX and were full time motorhomers. Sherry is the daughter of the late Delton & Lucreta Wade. John was interred in Bolivar.

In the same e-mail, Freeda related that she had been having some health issues, such as internal bleeding for several days. After procedures at St. Johns Hospital, they found she had a bleeding ulcer that had been stressed by medication a doctor had prescribed for an

infection. Then after returning home she started having vision problems and went to the doctor and they found her eye was having separation problems and tearing, so she had to have a laser procedure in the hour to save the sight in that eye. She's hopeful they got corrected, but she has a permanent thing like a floater in that eye. Freeda needs our prayers and while you're at it include Ival too.

#### **Sad News**

In a recent telephone conversation, Vince Nelson told me he is no longer able to drive, which means he and Della won't be camping with us unless Della takes over as the motorhome chauffeur. Della & Vince have been long and faithful members and will be missed.

#### **The Last Hoorah**

Friends, this is my last hoorah as your chapter secretary. I thank you all for your cooperation and help in doing this job. You all have helped when asked and that fact was certainly helpful. I truly appreciated your patience with my typos and what other errors I may have made. I ask that you be as helpful and patient with my successor, Sue Lewis. I will certainly assist her in any way possible to help make the job as easy as possible.

#### **November Birthdays**

John Huff 20<sup>th</sup>

#### **November Anniversaries**

None

#### **A Parting Thought**

May you always live in such a way that those who know you but don't know God, will come to know God, because they know you.
